Pre-Encampment

Pre-encampment was the time used by the Senior Officers to select the outstanding cadets for officer positions. These two days before the Encampment proper were full of surprizes for the hopeful cadets.

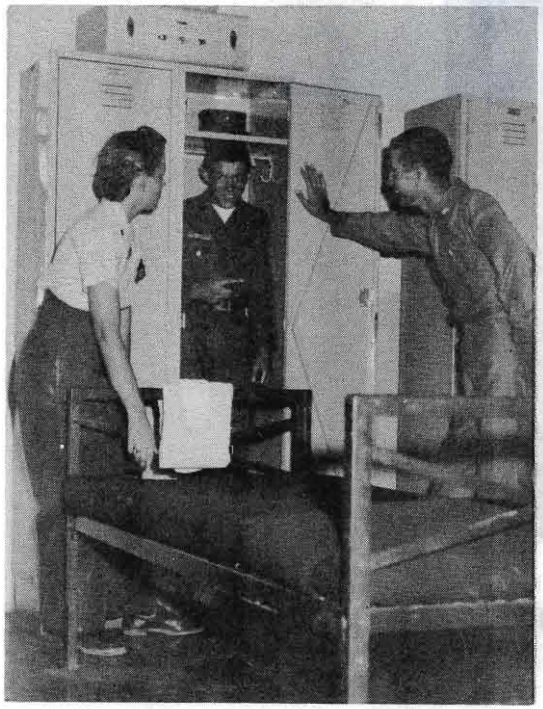
SUBJECT: Preliminary Comments
TO: Each new Cadet

19 Aug 1959

1. I wish to take this one and only brief opportunity to welcome you to the 1959 Summer Encampment at March AFB.



This is your first introduction to encampment life and will, if we on your Senior staff can arrange it, remain a bright spot in your memories for a long time.

Lt. Mailman (left) and Lt. Winkler (right) point out mistake in hospital corner to Cadet Shutes.

Civil Air Patrol Cadets were given instruction in Military Courtesy and Discipline by inspections both barracks and uniform.

3. The March AFB encampment is primarily for Cadets new to both Civil Air Patrol and the encampment program, therefore it will be patterned after an armed forces "boot camp." STRICT MILITARY COURTESY AND DISCIPLINE WILL BE OBSERVED AT ALL TIMES. If you plan of keeping yourself "unknown to your Senior Tactical Staff and myself I strongly suggest you immediately throw some starch in your poor, sad civilian backbone and get RIGID! QUICK!!
