CIVIL AIR PATROL
CALIFORNIA / NEVADA WING ENCAMPMENT
CAMP SAN LUIS OBISPO 8-15 AUGUST 2009

WELCOME TO THE CADET TRAINING GROUP

The Cadet Training Group was founded in the summer of 1975 at Vandenberg Air Force Base, California. In the 33 years since, the CTG has welcomed and graduated more than 10,000 cadets into its ranks. As CTG graduates have gone on to success in their CAP careers, it is evident they succeed in other areas of their lives as well. CTG alumni have

gone on to become successful leaders in the civilian sector as well as the Armed Forces of the United States. Former Cadets are now serving in Iraq, Aghanistan and other theaters of operations throughout the world.

Graduates, we welcome you into the distinguished ranks of the Cadet Training Group.

2009 CALIFORNIA / NEVADA WING ENCAMPMENT

The 49th Cadet Training Squadron History

The 49th Cadet Training Squadron of the Cadet Training Group is unique in Cadet Training Group history. No cadets were ever assigned to the 49th CTS; the number was set aside to honor a former member of the Cadet Training Group.

Cadet Captain Tom Doyle was a Northern California youth who was a leader in his school and community, a licensed pilot at age 17 and an outstanding member of the CivilAir Patrol. Cadet Doyle was selected to command the 18th CTS at Fort Ord in the summer of 1980. However, changed personnel requirements resulted in the activation of only one CTS instead of the three that were planned. Shortly after the Fort Ord encampment, Cadet Doyle commanded Delta Flight, 17th CTS at McClellan AFB.

He was a graduate of the USAF Academy. After completing training as a fighter pilot, he was stationed with NATO in Germany. On one grim cloudy day in the spring of 1988 he gave his life to save the children and people of the town of Forst.

Returning from a low level fighter mission, Lieutenant Doyle's F-16 fighter had a sudden engine failure over Forst. He could have bailed out but if he had his jet would have plowed into a school in the town. Instead he stayed with the aircraft and directed it away from the people. Having survived two previous in-flight emergencies, he knew the odds were against him when he made his decision. Lieutenant Thomas Doyle, USAF, gave his life in the crash to save the children and people of Forst.

In 1989, the Cadet Training Group recognized Lieutenant Doyle by naming him, posthumously, as the Commander of the 49th Cadet Training Squadron. The guidon of the 49th Cadet Training Squadron appears on the Cadet Training Group shield as a reminder of our fallen Cadet Training Group hero.

“No Drama...No Whining. One Team...One Fight.”

Director of Cadet Programs Encampment Commander

Lt Col Antony M. Upton

You have graduated from encampment and are a member of a very distinct group. The first graduating class was in 1975, and since then, thousands of cadets have learned the importance of Attention to detail, leadership, honor, teamwork, and pride in a job well done. You have truly accomplished an exceptional feat, one you can take and affect every area and individual in your life, forming yourselves to become America's future leaders. Continue your success and congratulations on joining the ranks of the CTG.

Encampment Commander Commandant of Cadets

Lt Col Jim H. Jenkins

Congratulations on successfully completing the 2009 California/Nevada Wing Joint Encampment! You have completed a challenging week that took you out of your comfort zone, taught you to push your limits, learn more about yourselves, and how to work as a member of a team. I hope that your accomplishment here will give you the confidence to try new things in your CAP home squadron as well as your personal life. I look forward to seeing you at future CAP activities and hearing about your successes.

Commandant of Cadets

Capt Rene E. McCoy

Your basic Encampment is the beginning of many difficult tests in your Civil Air Patrol career. It is a place of Teamwork, Discipline, and Success. You signed a contract to giving 100% of yourself, and you followed through with your commitment, leaving here as a member of the life-long team. The training you have acquired here gives you the ability to take the next step in achieving any goal in life. You first have to take those steps. I am proud of you and look forward to seeing you excel as future leaders of the Cadet Training Group.

CTG Commander

C/Maj Joseph E. M. Connolly

We pushed your limits and you became a team in order to achieve success. You disciplined yourself, relied on others, and in turn, helped others who needed your help. At the beginning of the week, I presented you with a challenge; you overcame and seized the opportunity becoming a member of The Cadet Training Group. I now present you with a new challenge and opportunity – keep pushing yourself in Civil Air Patrol and throughout life. Accepting this challenge will make many opportunities available to you.

CTG Command Chief

C/CMSgt Samantha Stanko

Congratulations cadets, you are officially members of the Cadet Training Group. You have persevered through all the hardwork, sweat, tears, and everything you did over this week. You will never forget what you overcame here. Remember these things: teamwork and discipline will amount to success. Also, never let anyone tell you there is something you cannot accomplish, and if anyone does - prove them wrong every time! Continue to push yourselves past your limits. Welcome to the Cadet Training Group. Semper Fidelis!

A sincere thank you to Drymax Sport Socks for their generous donation of socks to our Encampment cadets. Drymax utilizes two different fiber technologies interwoven together to both attract and repel moisture which we are sure prevented more foot related problems for our cadets at this years Encampment.
